

School and venue size-up

When a drone is over a crowd, campus, or venue. Admin fills it. Not a security contract.

1. If people are in danger, call 911 first.
2. Who has eyes. Clock from a named door, stand, or gate. Height guess. Heading.
3. What is under it: students, gates, field, stands, none.
4. Do not send staff onto a roof or into a chase. Do not claim the air is empty.
5. Write the facts on page 2. Photo from where you already stand if you can.
6. Call the people your site already named — admin, SRO, venue ops, PD. This paper is not a security sit.

This is observation paper, not a service sit. Silence on radios is not an empty sky. Dark Sky Systems LLC is not a licensed security company and does not keep you safe.
